BUNDELKHAND UNIVERSITY, JHANSI

(Final Draft)

(The PhD Ordinance has been finalized after carefully considering and incorporating suggestions from all stakeholders.)

As per direction of Department of Higher Education, Uttar Pradesh, suggestions for minimum Standards and Procedures for Award of Ph.D. Degree in State University of the Uttar Pradesh under UGC Regulation 2022

S.N.	UGC Regulation 2022	Final draft of the Ph.D. Ordinance for the State University of Uttar Pradesh under UGC Regulation 2022
A	B	C
01.	**Short title, Application and Commencement:-** **(1)** These Regulations may be called University Grants Commission (Minimum Standards and Procedure for Award of Ph.D. Degree) Regulations, 2022. **(2)** They shall apply to every university established or incorporated by or under a Central Act, a Provincial Act, or a State Act, every college, and every institution deemed to be a University under section 3 of the University Grants Commission Act, 1956. **(3)** They shall come into force from the date of their publication in the Gazette of India.	**Short title, Application and Commencement: -** **(1)** This Ordinance shall be known as Ph.D. Ordinance for the State University of Uttar Pradesh under UGC Regulation- 2022 **(2)** They shall apply to every state university of Uttar Pradesh **(3)** They shall come into force from the date of their notification from Department of Higher Education of Uttar Pradesh.
02.	**Definitions. -** (1) In these Regulations, unless the context otherwise requires. **1.** "Act" means the University Grants Commission Act, 1956 (3 of 1956); **2.** "Adjunct Faculty" means a part-time or contingent instructor, but not full-time faculty member hired to teach by a Higher Educational Institution; **3.** "Cumulative Grade Point Average (CGPA)" means a measure of the overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all semesters. It is expressed up to two decimal places; **4.** "Credit" means the number of hours of instruction required per week over the duration of a semester. A three-credit course in a semester	**Definitions. -** (1) In these Regulations, unless the context otherwise requires. **1.** "Act" means the Uttar Pradesh, State University Act-1973 **2.** "Adjunct Faculty" means a part-time or contingent instructor, but not full-time faculty member hired to teach by a Higher Educational Institution. **3.** "Cumulative Grade Point Average (CGPA)" means a measure of the overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all semesters. It is expressed up to two decimal places.

	means three one-hour lectures per week, with each one-hour lecture counted as one credit; **5.** "College" means an institution engaged in higher education and/or research, either established by a University as its constituent unit or is affiliated with it; **6.** "Commission" means the University Grants Commission established under Section 4 of the UGC Act 1956; **7.** "Course" means one of the specified units which go to comprise programme of study; **8.** "Course Work" means courses of study prescribed by the School/Department/ Centre to be under taken by a student registered for the Ph.D. Degree;\ **9.** "Degree" means a degree awarded by a Higher Educational Institution in accordance with the provisions of section 22 (3) of the Act; **10.** "External examiner" means an academician/ researcher with published research work who is not part of the Higher Educational Institution where the Ph.D. scholar has registered for the Ph.D. programme; **11.** "Foreign Educational Institution" means– (i) an institution duly established or incorporated in its home country and offering educational programmes at the undergraduate, post graduate and higher levels in its home country and (ii) which offers programme(s) of study leading to the award of a degree through conventional face-to-face mode, but excluding distance, online, ODL mode; **12.** "Grade Point" means a numerical weight allotted to each letter grade on a 10-points scale; **13.** "Guide/Research Supervisor" means an academician/researcher recognized by Higher Educational Institution to supervise the Ph.D. scholar for his/her research; **14.** "Higher Educational Institution" means a university or institution specified under clause 2 of Regulation1 of these Regulations; **15.** "Interdisciplinary Research" means research conducted by a Ph.D. scholar in two or more academic disciplines; **16.** "Open and Distance Learning Mode" shall have the same meaning as defined under the UGC(Open and Distance Learning Programmes and Online Programmes) Regulations 2020;	**4.** "Credit" means the number of hours of instruction required per week over the duration of a semester. A three-credit course in a semester means three one-hour lectures per week, with each one-hour lecture counted as one credit. **5.** "College" means an institution engaged in higher education and/or research, either established by a university as its constituent unit or is affiliated with it; **6.** "Commission" means the University Grants Commission established under Section 4 of the UGC Act 1956; **7.** "Course" means one of the specified units which go to comprise programme of study. **8.** "Course Work" means courses of study prescribed by the school/Department/ Centre to be undertaken by a student registered for the Ph.D. Degree. **9.** "Degree" means a degree awarded by a Higher Educational Institution in accordance with the provisions of Ph.D. Ordinance for the University of Uttar Pradesh under UGC Regulation- 2022/ UP State University Act 1973 **10.** "External examiner" means an academician/ researcher with published research work who is not part of the Higher Educational Institution where the Ph.D. scholar has registered for the Ph.D. programme; **11.** "Foreign Educational Institution" means– (i) an institution duly established or incorporated in its home country and offering educational programmes at the undergraduate, post graduate and higher levels in its home country and (ii) which offers programme(s) of study leading to the award of a degree through conventional face-to-face mode, but excluding distance, online, ODL mode; **12.** "Grade Point" means a numerical weight allotted to each letter grade on a 10-points scale. **13.** "Guide/Research Supervisor" means an academician/researcher recognized by Higher Educational Institution to supervise the Ph.D. scholar for his/her research. **14.** "Higher Educational Institution" means a university or institution specified under clause 2 of Regulation1 of these Regulations.

	17. "Online Mode" shall have the same meaning as defined under the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations 2020; **18.** "Plagiarism" means the practice of taking someone else's work or idea and passing them as one's own; **19.** "Programme" means a higher education programme pursued for a degree specified by the Commission under sub-section (3) of section 22 of the Act; **20.** "Prospectus" means any document, whether in print or otherwise, issued for providing fair and transparent information relating to a Higher Educational Institution and programmes, to the general public (including to those seeking admission in such Higher Educational Institutions) by the Higher Educational Institutions; **21.** "Research Proposal" means a brief write-up giving an outline of the proposed research work which the Ph.D. scholar shall submit along with the application for registration for Ph.D. programme; **22.** "University" means a Higher Educational Institution established or incorporated by or under a Central Act, a Provincial Act, or a State Act, and shall include any institution for higher education deemed to be a University under Section 3 of the Act. **01-** Words and expressions used and not defined in these Regulations but defined in Act and not consistent with these Regulations shall have the meanings assigned to them in that Act.	**15.** "Interdisciplinary Research" means research conducted by a Ph.D. scholar in two or more academic disciplines. **16.** "Open and Distance Learning Mode" shall have the same meaning as defined under the UGC(Open and Distance Learning Programmes and Online Programmes) Regulations 2020; **17.** "Online Mode" shall have the same meaning as defined under the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations 2020; **18.** "Plagiarism" means the practice of taking someone else's work or idea and passing them as one's own; **19.** "Programme" means a higher education programme pursued for a degree specified by the Commission under sub-section (3) of section 22 of the Act; **20.** "Prospectus" means any document, whether in print or otherwise, issued for providing fair and transparent information relating to a Higher Educational Institution and programmes, to the general public (including to those seeking admission in such Higher Educational Institutions) by the Higher Educational Institutions. **21.** "Research Proposal" means a brief write-up giving an outline of the proposed research work which the Ph.D. scholar shall submit along with the application for registration for Ph.D. programme; **22.** "University" means a Higher Educational Institution established or incorporated by or under a Central Act, a Provincial Act, or a State Act, and shall include any institution for higher education deemed to be a University under Section 3 of the Act. **1.** Words and expressions used and not defined in these Regulations but defined in Act and not consistent with these Regulations shall have the meanings assigned to them in that Act.
3	**Eligibility criteria for admission to the Ph.D. Programme.-**The following are eligible to seek admission to the Ph.D. programme: **(1)** Candidates who have completed: i. A 1-year/2-semester master's degree programme after a 4-year/ 8-semester bachelor's degree programme or a 2-year/ 4-semester master's degree programme after a 3-year bachelor's degree programme or qualifications declared equivalent to the master's	**Eligibility criteria for admission to the Ph.D. Programme.-**The following are eligible to seek admission to the Ph.D. programme: **(1)** Candidates who have completed: A 1-year/2-semester master's degree programme after a 4-year/ 8-semester bachelor's degree programme or a 2-year/ 4-semester master's degree programme after a 3-year bachelor's degree programme or qualifications declared

	degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS)and other categories of candidates as per the decision of the Commission from time to time. Provided that a candidate seeking admission after a 4-year/8-semester bachelor's degree programme should have a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/ Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time. **(2)** Candidates who have completed the M.Phil. programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of educational institutions, shall be eligible for admission to the Ph.D. programme. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC	equivalent to the master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution. **Relaxation in Minimum Qualifying Marks:** A relaxation of 5% of marks from 55% to 50%, or an equivalent relaxation of grade will be allowed for those who belong to SC/ST/OBC (Non-Creamy Layer) EWS/Differently abled and other categories of candidates as per the prevailing reservation laws of the State of Uttar Pradesh. Provided that a candidate seeking admission after a 4-year/8- semester bachelor's degree programme should have a minimum of 75% marks in aggregate or its equivalent grade on a point scale wherever the grading system is followed. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the UGC or state of UP from time to time. 2) Candidates who have completed the M.Phil. programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of educational institutions, shall be eligible for admission to

	(non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.	the Ph.D. programme. A relaxation of 5% marks or its equivalent grade may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently Abled, Economically Weaker Section (EWS) and other categories of candidates as per the prevailing reservation laws of the State of Uttar Pradesh from time to time.
04.	**Duration of the Programme.-** **(1)** Ph.D. Programme shall be for a minimum duration of three years, including course work, and a maximum duration of six (6) years from the date of admission to the Ph.D. programme. **(2)** A maximum of an additional two (2) years can be given through a process of re-registration as per the Statute/Ordinance of the Higher Educational Institution concerned; provided, however, that the total period for completion of a Ph.D. programme should not exceed eight (8)years from the date of admission in the Ph.D. programme. Provided further that, female Ph.D. scholars and Persons with Disabilities (having more than 40% disability) may be allowed an additional relaxation of two (2) years; however, the total period for completion of a Ph.D. programme in such cases should not exceed ten (10) years from the date of admission in the Ph.D. programme. **(3)** Female Ph.D. Scholars may be provided Maternity Leave/Child Care Leave for up to 240days in the entire duration of the Ph.D. programme.	**Duration of the Programme:-** **(1)** Ph.D. Programme shall be for a Minimum duration of three years, (including the course work) to a maximum period of six years from the date of admission to the Ph.D. programme. **(2)** A maximum of two additional years for the submission of thesis through a process of re-registration, for which the candidate shall apply giving the reasons due to which he/she was not able to submit the thesis. The candidates' application in this regard should be moved well in advance to completion of six years and duly forwarded and recommended by the Research Advisory Committee (herein after referred to as RAC) which should be approved by Research Degree Committee (herein after referred to as RDC/DRC) and Academic Council (herein after referred to as AC). However, the total period for completion of a Ph.D. programme should not exceed eight years from the date of admission in the Ph.D. programme. **(3)** Female Ph.D. scholars and persons with disabilities (having more than 40% disability) may be allowed an additional relaxation of two years; however, the total period for completion of a Ph.D. program in such cases should not exceed ten years from the date of admission in the Ph.D. programme. The candidates' application in this regard should be moved well in advance to completion of eight years and duly forwarded and recommended by RAC &RDC/DRC. Female Ph.D. Scholar may be provided maternity/childcare leave for up to 240 days in the entire duration of Ph.D. Programs.
5	**Procedure for admission.-** **(1)** The admission shall be based on the criteria notified by the institution, keeping in view the guidelines/norms in this regard issued by the UGC and other statutory/regulatory bodies concerned, and taking into account	**Procedure for admission. -** **(1)** The admission shall be based on the criteria notified by the institution, keeping in view the guidelines/norms in this regard issued by the higher Education Department, and taking into

	the reservation policy of the Central/State Government from time to time. **(2)** Admission to the Ph.D. programme shall be made using the following methods: i. HEIs may admit students who qualify for fellowship/scholarship in UGC-NET/UGC- CSIR NET/GATE/CEED and similar National level tests based on an interview. And/or ii. HEIs may admit students through an Entrance Test conducted at the level of the individual HEI.TheEntranceTestsyllabusshallconsistof50%ofresearch methodology, and 50% shall be subject- specific. iii. Students who have secured 50% marks in the entrance test are eligible to be called for the interview. iv. A relaxationof 5 % marks will be allowed in the entrance examination for the candidates belonging to SC/ST/OBC/differently-abled category, Economically Weaker Section (EWS), and other categories of candidates as per the decision of the Commission from time to time. v. HEIs may decide the number of eligible students to be called for an interview based on the number of Ph.D. seats available. vi. Provided that for the selection of candidates based on the entrance test conducted by the HEI, a weight age of 70 % for the entrance test and 30 % for the performance in the interview/viva- voce shall be given. **(3)** University and Colleges which are eligible to conduct Ph.D. programmes, shall: i. Notifyaprospectuswellinadvanceontheinstitution'swebsitespecifyin gthe number of seats for admission, subject/discipline-wise distribution of available seats, criteria for admission, the procedure for admission, and all other relevant information for the candidates; ii. Adhere to the National/State-level reservation policy, as applicable.	account the reservation policy of the State Government from time to time. **(2)** Admission to the Ph.D. programme shall be made using the following methods: i. University shall admit students who qualify for fellowship/scholarship in UGC-NET/UGC- CSIR NET/GATE/CEED and similar National level tests based on an interview. And/or ii. University shall admit students through an Entrance Test conducted at the University level. The Entrance Test syllabus shall consist of 50% of research methodology, and 50% shall be subject- specific. iii. Students who have secured 50% marks in the entrance test are eligible to be called for the interview. iv. **Relaxation in Minimum Qualifying Marks:** A relaxation of 5% of marks from 55% to 50%, or an equivalent relaxation of grade will be allowed for those who belong to SC/ST/OBC (Non-Creamy Layer) EWS/Differently abled and other categories of candidates as per the prevailing reservation laws of the State of Uttar Pradesh from time to time v. University shall decide the number of eligible students to be called for an interview based on the number of Ph.D. seats available. vi. Provided that for the selection of candidates based on the entrance test conducted by the University, a weightage of 70% for the entrance test and 30% for the performance in the interview/viva- voce shall be given. **(3)** University which are eligible to conduct Ph.D. programmes, shall: i. Notify a prospectus well in advance on the institution's website specifying the number of seats for admission, subject/discipline-wise distribution of available seats, criteria for admission, the procedure for admission, and all other relevant information for the candidates; The said advertisement will contain common guidelines for the Ph.D. Programme i.e. eligibility criteria, subjects, fees and

	The Higher Educational Institution shall maintain a list of Ph.D. supervisors (specifying the name of the supervisor, his or her designation, and the department/school/centre), along with the details of Ph.D. scholars (specifying the name of the registered Ph.D. scholar, the topic of his/her research and the date of admission) admitted under them on the website of the institution and update this list every academic year.	mode of its payment, reservation, syllabus, scheme, center, submission of application, other relevant instruction and anticipated date of the declaration of results etc on university website. The interested candidate for admission to the Ph.D. degree shall apply only through the Online Portal for CET on a prescribed form. ii. The University shall maintain a list of Ph.D. supervisors (specifying the name of the supervisor, his or her designation, and the department/school/centre), along with the details of Ph.D. scholars (specifying the name of the registered Ph.D. scholar, the topic of his/her research and the date of admission) admitted under them on the website of the institution and update this list every academic year. iii. The Entrance Test shall consist of two papers. Paper first- Research Methodology and Paper second shall be based on specific subjects.
06	**Allocation of Research Supervisor.-**Eligibility criteria to be a Research Supervisor, Co-Supervisor, Number of Ph.D. scholars permissible per supervisor, etc. **(1)** Permanent faculty members working as Professor/Associate Professor of the Higher Educational Institution with a Ph.D., and at least five research publications in peer-reviewed or refereed journals and permanent faculty members working as Assistant Professors in Higher Educational Institutions with a Ph.D., and at least three research publications in peer-reviewed or refereed journals may be recognized as a Research Supervisor in the university where the faculty member is employed or in its affiliated Post-graduate Colleges/institutes. Such recognized research supervisors cannot supervise research scholars in other institutions, where they can only act as co-supervisors. Ph.D. awarded by a university under the supervision of a faculty member who is not an employee of the university or its affiliated Post- graduate Colleges/institutes would be in violation of these Regulations.	**Allocation of Research Supervisor. -**Eligibility criteria to be a Research Supervisor, Co-Supervisor, Number of Ph.D. scholars permissible per supervisor, etc. **(1)** Permanent faculty members appointed in the Institutions/ University (after successfully completion of probation period) working as Professor/Associate Professor of the University with Ph.D., and having 5 research publications in peer-reviewed or referred journals shall be eligible for Guide Permanent faculty members appointed in the other Institutions/ University (after successfully completion of probation period) working as Professor/Associate Professor of the University with Ph.D. and having 5 research publications in peer-reviewed or referred journals shall be eligible for Co-Guide in Ph.D. Program. Permanent faculty members working as Assistant Professors in University (after successfully completion of their probation period) with Ph. D. and at least three research publications (after Ph.D. Award) in peer-reviewed or refereed journals may be recognized as a Research Guide /Co-Guide in the university where the faculty member is

	For Ph.D. scholars working in Central government/ State government research institutions whose degrees are given by Higher Educational Institutions, the scientists in such research institutions who are equivalent to Professor/Associate Professor/Assistant Professor can be recognized as supervisors if they fulfill the above requirements. Provided that in areas/disciplines where there is no, or only a limited number of peer-reviewed or refereed journals, the Higher Educational Institution may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing. Co-Supervisors from within the same department or other departments of the same institution or other institutions may be permitted with the approval of the competent authority.	employed or in its associated Colleges where relevant programme in that subject is being run. Ph.D. awarded by a university under the supervision of a faculty member who is not an employee of the university or its affiliated Post-graduate Colleges/institutes would be in violation of these Regulations. The full-time teachers of university campus teaching in post graduate departments established under Self Financing Scheme (here in after referred as SFS) who are already approved Ph.D. supervisor, shall continue as research supervisor. The full time teachers under Self Financing Scheme of university campus teaching in post graduate departments, working as Professor/Associate Professor of the University with Ph.D., and having 5 research publications in peer-reviewed or referred journals shall be eligible for Guide Permanent faculty members appointed in the other Institutions/ University (after successfully completion of probation period) working as Professor/Associate Professor of the University with Ph.D. and having 5 research publications in peer-reviewed or referred journals shall be eligible for Co-Guide in Ph.D. Program. The full time teachers under Self Financing Scheme of university campus teaching in post graduate departments, working as Assistant Professor in University (after successfully competition of one year of service in this University with Ph.D. and at least five research publications (after Ph.D. Award) in peer-reviewed or referred journals may be recognized as a Research Supervisor/Co-Supervisor in the university). For Ph.D. scholars working in Central government/ State government research institutions whose degrees are given by Higher Educational Institutions, the scientists in such research institutions who are equivalent to Professor/Associate

	Adjunct Faculty members shall not act as Research Supervisors and can only act as co-supervisors.	Professor/Assistant Professor can be recognized as supervisors if they fulfill the above requirements. Provided that in areas/disciplines where there is no, or only a limited number of peer-reviewed or referred journals, the Higher Educational Institution may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing. Co-Supervisors from within the same department or other departments of the same institution or other institutions may be permitted with the approval of the competent authority. Apart from the provision for maximum number of candidate's supervision for Ph. D. research work. She/he can also enroll two candidates as co-superiors'.
	(2) In case of interdisciplinary/ multi disciplinary research work, if required, a Co-Supervisor from outside the Department/School/Centre/College/University may be appointed.	In case of other institutes/university/research organization the Co-Supervisor should take permission or NOC from their departmental head for co- supervising the candidate as per the MOU between the concerned two institutions. Adjunct Faculty members shall not act as Research Supervisors and can only act as co-supervisors.
	(3) An eligible Professor/ Associate Professor/ Assistant Professor can guide up to eight (8)/ six (6)/ four (4) Ph.D. scholars, respectively, at any given time.	**(2)** In case of interdisciplinary/ multi-disciplinary research work, if required, a Co-Supervisor from outside the Department/School/Centre/ College/University may be appointed. In case of other institute/university/research organization the Co- Supervisor should take permission or NOC from their Institution/Departmental/Organization head for co- supervising the candidate as per the MOU between the concerned two institutions.
	(4) In case of relocation of a female Ph.D. scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the Higher Educational Institution to which the scholar intends to relocate, provided all the other conditions in these Regulations are followed, and the research work does not pertain to a project sanctioned to the parent Institution/Supervisor by any funding agency. Such scholar shall, however, give due credit to the parent institution and the supervisor for the part of research already undertaken.	**(3)** An eligible Professor/ Associate Professor/ Assistant Professor can guide up to eight (8)/ six (6)/ four (4) Ph.D. scholars, respectively, at any given time.
	(5) Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars under their supervision. However, such faculty members can continue to	**(4)** In case of relocation of a female Ph.D. scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the Higher Educational Institution to which the scholar intends to relocate, provided all the other conditions in these Regulations are followed, and the

	supervise Ph.D. scholars who are already registered until superannuation and as a co-supervisor after superannuation, but not after attaining the age of 70 years.	research work does not pertain to a project sanctioned to the parent Institution/Supervisor by any funding agency. Such scholars shall, however, give due credit to the parent institution and the supervisor for the part of research already undertaken. **(5)** Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars under their supervision. However, such faculty members can continue to supervise Ph.D. scholars who are already registered until superannuation and as co-supervisor after superannuation, but not after attaining the age of 70 years. In case of Self-Financed post graduate colleges, which affiliated to State Universities. The eligibility criteria for a Research Supervisor/ Guide shall be as follows. i) It will be mandatory for the teacher concerned to have a continuous experience of 5 years at PG level in the same college which should be accredited by the NAAC (National Assessment and Accreditation Council) for become a Research Supervisor. and ii) The teacher concerned must have also published at least 4 research papers after his Ph.D. in peer reviewed journals during the prescribed time period in the colleges where he/she has been working as described on the point (i). A screening committee duly constituted by the Vice Chancellor is required for the thorough examination of the application, before the matter is put up in the RDC. The RDC shall take final decision on the approval of supervisor for SFS colleges affiliated to the University. **Allotment of the Supervisor:** An interaction meeting would be organized between the selected candidates and proposed supervisors by the department for mutual understanding. A consent letter from the proposed Research

		Supervisor and Co-supervisor(s) is to be put up before the RDC. The allocation of research supervisor will be finalized by RDC after the completion of Ph.D. Course work. The allocation of the supervisor for selected students shall be decided by the RDC in a formal manner depending on the number of students per faculty member, the available specialization among the faculty supervisors, and the research interest of the student as indicated during interview by the student. The allocation of supervisor shall not be left to the individual student or teacher. Ordinarily, a Research Supervisor may not be permitted for intake of more than two research scholars in one academic session. A Supervisor shall not be allowed to supervise a candidate who is his/her relative whether by blood, adoption or by marriage. Explanation: In this ordinance "relative" means the relations provided in the explanation to section 20 of the U.P. State University Act 1973. No change of supervisor shall ordinarily be allowed, but in very special cases only RDC/DRC can change the supervisor on the recommendation of Convener and Dean. The teachers at the University/Colleges, who are enrolled as Ph.D. scholars in the University or in any other Institutes /University cannot act as Ph.D. Supervisor / Co-Supervisor. If the Supervisor of a candidate proceeds on leave/lien/deputation for a period of more than twelve months, or he/she proceeds on leave for a period of less than twelve months but later extends his/her leave beyond twelve months, then a co-Supervisor shall be appointed. Further, if the Supervisor of a candidate proceeds on lien/deputation to another period of more than twelve months, the RDC/DRC may allocate a new Supervisor to candidate to complete his/ her research work in the University.

		If a candidate, for cogent reasons, intends to change his/her Supervisor, it shall be permitted by the RDC/DRC. In such cases, the mutual consent of the present Supervisor, the proposed Supervisor and the candidate is essential. For interdisciplinary subjects, interdepartmental transfer may be allowed. Vice Chancellor's decision shall be final in this case. If a candidate has been assigned a new Ph.D. Supervisor, he /she shall continue his/her research with a new Supervisor after the approval by RDC/DRC. No candidate shall be allowed to change a Supervisor more than once during the research duration. However, in exceptional cases where specific reasons are presented, the Vice-Chancellor may decide to allow a change of supervisor more than once if deemed necessary.
07.	**Admission of International students in Ph.D. programme**.- **(1)** Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars as specified in clause 6.3 above. **(2)** The HEIs may decide their own selection procedure for Ph.D. admission of international students keeping in view the guidelines/norms in this regard issued by statutory/regulatory bodies concerned from time to time.	**Admission of International students in Ph.D. programme**.- (1) Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars. (2) The University will decide on its own selection procedure for Ph.D. admission of international students keeping in view the guidelines/norms in this regard issued by statutory/regulatory bodies concerned from time to time.
08.	At any point, the total number of Ph.D. scholars under a faculty member, either as a supervisor or a co-supervisor, shall not exceed the number prescribed in clause 6.3 and clause 7.1.	At any point, the total number of Ph.D. scholars under a faculty member, either as a supervisor or a co-supervisor, shall not exceed the number prescribed in clause 6.3 & 7.1
09.	**Course Work.- Credit requirements, number, duration, syllabus, minimum standards for completion, etc.** **(1)** The Credit requirement for the Ph.D. coursework is a minimum of 12 credits, including a "Research and Publication Ethics" course as notified by UGC videD.O.No.F.1-1/2018 (Journal/ CARE) in 2019 and a research methodology course. The Research Advisory Committee can also recommend UGC recognized online courses as part of the credit requirements for the Ph.D. programme.	**Course Work: Credit Requirements, Duration, Syllabus and Minimum standards for completion etc.** (1) The Credit requirement for the Ph.D. coursework is a minimum of 12 credits, including a "Research and Publication Ethics" course as notified by UGC and a research methodology coursework. All admitted candidates shall undergo a Ph.D. Course Work for a minimum period of Six months consisting of one semester as prescribed by the University.

1. The Course Work shall be conducted at the University Centre only as approved by the university.
2. The framework and outline of Ph.D. course work shall be completed in one semester.

A research scholar must have a minimum of 75% attendance which shall be collected using biometric attendance system.

The 16 Credit Ph.D. Coursework will consist of following:–

Courses/Paper Name	**Credits**
Paper 1: Core Paper-I of concerned subject	2
Paper 2: Core Paper-II of concerned subject	2
Paper 3: Core Paper-III of concerned subject	2
Paper 4: Core Paper-IV of concerned subject	2
Research Methodology	4
Research Project	4
Total	**16 Credits**

These papers will focus on exploring new and cutting-edge approaches within the specific subject area. These papers will delve into innovative research methods, techniques, or perspectives that have the potential to advance knowledge and understanding in the field.

All candidates admitted to the Ph.D. Programme shall be required to complete the course work with minimum 75% attendance as prescribed by the University during the initial one semester (duration of coursework).

If admitted candidate fails in the coursework semester exam once, he/she shall be given another chance to reappear only in the next course work semester exam, after submission of the prescribed fee. If a candidate fails in the second attempt, his/her registration shall be automatically cancelled.

Grades in the course work shall be finalized by the

		Head/Convener/Deans, and final grades shall be communicated to the Registrar for the declaration of results. **2)** All Ph.D. scholars, irrespective of discipline, shall be required to train in teaching/education/pedagogy/writing related to their chosen Ph.D. subject during their doctoral period. Ph.D. scholars may also be assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work and evaluations. 3) A Ph.D. scholar has to obtain a minimum of 55% of marks or its equivalent grade in the UGC 10-point scale (or an equivalent grade/CGPA in a point scale wherever grading system is followed) in the course work shall be eligible to continue in the Ph.D. Programme. The Registrar/Controller of Examination shall issue a certificate that the candidate has successfully completed the Course Work.
	(2) All Ph.D. scholars, irrespective of discipline, shall be required to train in teaching/ education/ pedagogy/ writing related to their chosen Ph.D. subject during their doctoral period. Ph.D. scholars may also be assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work and evaluations. **(3)** A Ph.D. scholar must obtain a minimum of 55% marks or its equivalent grade in the UGC 10-point scale in the course work to be eligible to continue in the programme and submit his or her thesis.	
10.	**Research Advisory Committee and its Functions. -** **(1)** There shall be a Research Advisory Committee or an equivalent body as defined in the Statutes/Ordinances of the Higher Educational Institution concerned for each Ph.D. scholar. The Research Supervisor of the Ph.D. scholar concerned shall be the Convener of this committee, and this committee shall have the following responsibilities. i. To review the research proposal and finalize the topic of research. ii. To guide the Ph.D. scholar in developing the study design and methodology of research and identify the course(s) that he/she may have to do. iii. To periodically review and assist in the progress of the research work of the Ph.D. scholar.	**Research Degree Committee (RDC)/ Departmental Research Committee (DRC) & Research Advisory Committee (RAC) and their Functions: -** **Composition of the RDC/DRC** RDC/DRC shall consist of following members for the time of three years. i) The Vice Chancellor, as Chairman ii) The Dean of the Faculty iii) Head/Convener of the subject concerned and iv) Two experts nominated by the Vice Chancellor. The Vice Chancellor may also invite any person(s) of repute to act as a member(s) of the Committee. The subject expert nominated by the Vice-Chancellor shall not be below the regular professor Grade and must gave good publications and experience in R & D works. **Functions of the RDC/DRC** • To review the research proposal and finalize the topic of research.

- To review the report of the RAC.
- To take up any other matter that relates to Ph.D. programme including Ph.D. admission, continuous assessment, research facility development or issues of research scholars and Supervisors.
- The RDC will approve the title & synopsis in the anticipation of Academic Council.
- In case the synopsis is rejected, the candidate may re-submit the revised synopsis within two months to be placed before the next meeting of the RDC after which no further chance will be given. The absent candidate may get only one chance in forthcoming RDC.
- In special circumstances, minor modification in the research topic may be allowed within one year with the approval of the Vice-Chancellor on the recommendation of the Supervisor, Convenor and Dean. In case of a major modification in the synopsis and the change of the title is required within 18 months, the case will be referred to the RDC/DRC through RAC.

Composition of Research Advisory Committee

There shall be a Research Advisory Committee (herein after referred to as the RAC) and shall consist of following members for the time period three years.

a) The Dean of the Faculty shall be Chairperson.
b) Convener of the Concerned Subject.
c) The Research Supervisor/co-supervisor of the scholar.
d) Head/Coordinator of the department concerned.
e) All the supervisors of the subject concerned may also be present.

Functions of RAC :

1. To periodically review and assist in the progress of the research work of the research scholar.

2. To suggest the research scholar from time to time develop the study design and methodology of his/her research work if required.
3. The RAC may review the research project/project work of the coursework, research proposal and assist in the preparation of the Title and synopsis of the candidate

A research scholar shall appear before the RAC once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The RAC may submit its recommendations along with a copy of Ph.D. scholar's progress report to the RDC. A copy of such recommendations shall also be provided to the Ph.D. scholar.

Continuation of the registration of candidate in the Ph.D. programme shall depend on his/her satisfactory progress and good conduct. The University reserves the right to cancel the registration of any candidate in the event of his/her conduct and progress being found otherwise as stated below:

Cancellation of studentship:-

The Ph.D. studentship is liable to be cancelled for any of the following reasons:

i) Giving false information at the time of application/admission.
ii) Not conforming to the regulations of the programme.
iii) Failure in Comprehensive Examination.
iv) Consistent lack of progress in research.
v) Violation of discipline and conduct rules of the University/College.
vi) Not submitting a thesis within the stipulated period.
vii) The candidate shall be required to submit a progress report every six months to the University through Supervisor and co-supervisor

(2) Each semester, a Ph.D. scholar shall appear before the Research Advisory Committee to make a presentation and submit a brief report on the progress of his/her work for evaluation and further guidance. The Research Advisory Committee shall submit its

	(2) Each semester, a Ph.D. scholar shall appear before the Research Advisory Committee to make a presentation and submit a brief report on the progress of his/her work for evaluation and further guidance. The Research Advisory Committee shall submit its recommendations along with a copy of Ph.D. scholar's progress report to the Higher Educational Institution concerned. A copy of such recommendations shall also be provided to the Ph.D. scholar **(3)** In case the progress of the Ph.D. scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the Ph.D. scholar fails to implement these corrective measures, the Research Advisory Committee may recommend, with specific reasons, the cancellation of the registration of the Ph.D. scholar from the Ph.D. programme.	recommendations along with a copy of Ph.D. scholar's progress report to the Higher Educational Institution concerned. A copy of such recommendations shall also be provided to the Ph.D. scholar. (3) In case the progress of the Ph.D. scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the Ph.D. scholar fails to implement these corrective measures, the Research Advisory Committee may recommend, with specific reasons, the cancellation of the registration of the Ph.D. scholar from the Ph.D. programme.
11.	**Evaluation and Assessment Methods, minimum standards/credits for award of the degree, etc.-** (1) Upon satisfactory completion of course work and obtaining the marks/grade prescribed in clause (3) of Regulation 9 above, the Ph.D. scholar shall be required to undertake research work and produce a draft dissertation/thesis.	**Evaluation and Assessment Methods, minimum standards/credits for award of the degree, etc** 1) Upon satisfactory completion of the coursework and obtaining the grade, the Ph.D. scholar- **1.** May take the assistance of the RAC for the preparation of the synopsis and shall be required to present the synopsis before the RDC for approval. **2.** He/she shall then be required to submit six-monthly progress report and the suggestions given by the RAC shall be incorporated from time to time. After the completion of the research, the research scholar shall be required to submit a draft thesis before the pre-submission presentation. **3.** Research scholars submitting their thesis shall be required to publish 02 research papers in peer reviewed/referred journal also presented/attended 02 National/International level seminar/conference/workshop in the concerned subject/topic. Further extension of research work duration and the requirement will be subject to the approval of the Vice-Chancellor. 2) Before submitting the thesis, the Ph.D. scholar shall make a pre-presentation which shall also be open to all faculty members and

	(2) Before submitting the dissertation/thesis, the Ph.D. scholar shall make a presentation before the Research Advisory Committee of the Higher Educational Institution concerned, which shall also be open to all faculty members and other research scholars/students. (3) The Higher Educational Institution concerned shall have a mechanism using well-developed software applications to detect Plagiarism in research work and the research integrity shall be an integral part of all the research activities leading to the award of a Ph.D. Degree. (4) A Ph.D. scholar shall submit the thesis for evaluation; along with (a) an undertaking from the Ph.D. scholar that there is no plagiarism and (b) a certificate from the Research Supervisor attesting to the originality of the thesis and that the thesis has not been submitted for the award of any other degree/diploma to another Higher Educational Institution. (5) The Ph.D. thesis submitted by a Ph.D. scholar shall be evaluated by his/her Research Supervisor and at least two external examiners who are experts in the field and not in employment of the Higher Educational Institution concerned. Such examiner(s) should be academics with a good record of scholarly publications in the field. Wherever possible, one of the external examiners should be chosen from outside India. The viva-voce board shall consist of the Research Supervisor and at least one of the two external examiners and may be conducted online. The viva-voce shall be open to the members of the Research AdvisoryCommittee/facultymembers/researchscholars,andstudents.HigherEducational Institutions may formulate appropriate rules/ordinances to effect the provisions of this Regulations.	other research scholars/students. After the pre-Ph. D. submission presentation and incorporation of all the suggestions a plagiarism report be generated and inserted in the Ph. D. thesis. 3) The University shall have a mechanism using well-developed software applications to detect Plagiarism in research work and the research integrity shall be an integral part of all the research activities leading to the award of a Ph.D. degree. 4) A Ph.D. scholar shall submit the thesis for evaluation; along with (a) an undertaking from the Ph.D. scholar that there is no plagiarism and (b) a certificate from the Research Supervisor attesting to the originality of the thesis and that the thesis has not been submitted for the award of any other degree/diploma to another Higher Educational Institution. The Ph.D. scholar will also submit soft copy (in PDF format) of the synopsis of the thesis. The Process of submission of soft copies shall be uploaded on the research portal. 5) **Thesis Evaluation:** 1. A Ph.D. Scholar shall submit the 6 hard copies of the thesis along with the summary and a soft copy of the same. An undertaking from the Ph.D. Scholar related to plagiarism and a certificate from Research Supervisor attesting to the originality of the thesis and the thesis has not been submitted for the award of any other Degree/Diploma to elsewhere University/Higher Educational Institution shall be required during the time of final submission of the thesis. 2. The Ph.D. supervisor & convener of the subject shall propose a panel of two examiners. Complete and current addresses of all the examiners proposed in the panel with their e- mail addresses, telephone and mobile numbers shall be provided by the Research Supervisor & Convener of the subject. 3. All the examiners listed in the panel shall be from the specific area of research work preferably from different states. Examiner(s) should be academician not below the rank of

Associate Professor with a good record of scholarly publications in the field.

4. This panel shall then be sent to the Vice Chancellor for the approval of two external examiners. Examiners consent may be taken by E-Mail or by postal Communication. After the consent is received, the thesis shall be sent to the external examiners for evaluation.
5. In case, if the evaluation report is not sent by the examiner within two months of the dispatch of the thesis, a copy of the thesis shall be sent to new examiner from the list of panels. Consideration of the reports sent by the examiners after two months of the dispatch of the thesis shall be at the discretion of the Vice Chancellor.
6. The evaluation report should be received on the prescribed format (only) provided by the university.

Examiner's Report After Thesis Evaluation

The Examiners shall submit the report on a prescribed format as given in table and shall make one of the following recommendations based on which following decisions may be taken by Vice Chancellor: -

Sr.	Examiner-1	Examiner-2	Decision
1	Reject	Correction	• Ex.-1 will be changed and send the revised thesis to the new one. • Revised thesis will be sent to Ex.-1 and Ex.-2
2	Accepted	Accepted	Undergo for Viva-Voce
3	Reject	Reject	Finally rejected and the case be referred to the RDC for further necessary action.
4	Reject	Accepted	Change the first examiner and sent to the thesis to new one.

If all the reports are positive and definite, the candidate shall be required to undergo a Viva-Voce examination.

6) **Viva-Voce Examination** The viva-voce board shall consist of the respective Dean, Convenor, Research Supervisor and at least one of the two external examiners and may be conducted online/offline. The viva-voce shall be open to the members of the

		RDC/faculty members/research scholars, and students. 7) The University shall complete the entire process of evaluating a Ph.D. thesis, including the declaration of the viva-voce result, within a period of six (6) months from the date of submission of the thesis.
	(6) The viva-voce of the Ph.D. scholar to defend the thesis shall be conducted if both the external examiners recommend acceptance of the thesis after incorporating any corrections suggested by them. If one of the external examiners recommends rejection, the Higher Educational Institution concerned shall send the thesis to an alternate external examiner from the approved panel of examiners, and the viva-voce examination shall be held only if the alternate examiner recommends acceptance of the thesis. If the alternate examiner does not recommend acceptance of the thesis, the thesis shall be rejected, and the Ph.D. scholar shall be declared ineligible for the award of a Ph.D. (7) The Higher Educational Institution concerned shall complete the entire process of evaluating a Ph.D. thesis, including the declaration of the viva-voce result, within a period of six (6)months from the date of submission of the thesis.	
12.	**Academic, research, administrative, and infrastructure requirements to be fulfilled by Colleges for getting recognition for offering Ph.D. programmes.-** **(1)** Post-graduate Colleges offering 4-year Undergraduate Programmes and/or Post-graduate Programmes, may offer Ph.D. programmes, provided they satisfy the availability of eligible Research Supervisors, required infrastructure, and supporting administrative and research facilities as per these Regulations. **(2)** Colleges and research institutions established by the central government or a State government whose degrees are awarded by Higher Educational Institutions shall offer Ph.D. programmes provided they have:- i. At least two faculty members in a college or two Ph.D.-qualified scientists in the research institution. ii. Adequate infrastructure, administrative support, research facilities and library resources as specified by the HEI.	**Academic, research, administrative, and infrastructure requirements to be fulfilled by colleges for getting recognition for offering Ph.D. programmes.-** **(1)** Post-graduate Colleges offering 4-year Undergraduate Programmes and/or Post-graduate Programmes, may offer Ph.D. programmes, provided they satisfy the availability of eligible Research Supervisors, required infrastructure, and supporting administrative and research facilities as per these Regulations. **(2)** Colleges and research institutions established by the central government or a State government whose degrees are awarded by Higher Educational Institutions shall offer Ph.D. programmes provided they have:- i.
